Copic 101

Monday, July 11, 6-8p

with Jenn Shurkus

Cost: \$28

Have you just started to collect Copic markers or want to start? This class is for you! Jenn who is copic certified will help you learn 4 different coloring techniques, and get a better understanding on what is so great about copic markers. We will go over 2 and 3 color blending, blending with a contrast color, shading techniques, blending solution textures and Jenn will demo the copic airbrush system. The first part of this class Jenn will go over a very informative handout she has put together, and there will be time for question/answer, so feel free to bring any questions you may have. No markers are included in the class, and when you sign up a list of recommended markers will be given, however if you don't own any, still come, Jenn will have some to share.

Let's Get Stamping For Kids

Tuesday, July 12, 10a-12p

with Melissa Meece

Cost: \$22

Does your little one love to stamp and create? This class will be the perfect place for them to learn a little bit about the basics of stamping and cardmaking. Melissa Meece will guide the kids through making four adorable all occasion cards for them to take home and at the same time teach them how to properly use and care for their stamps, ink pads and markers. Children 5 and under should be accompanied by an adult.
